Coordinating Conjunctions #2

STEP 1: Review the Powerpoint “Coordinating Conjunctions.” All Powerpoint slides are located at the Writing Center webpage (http://youngamericans.libguides.com/writingcenter) under the DLAs tab. Read through and understand the slides.

***Remember, you can ask questions at any point in this process. Write down your questions as you go along, or go and ask a tutor each time you have a question. This is a self-paced activity, so make it work for you.

STEP 2: Correct the sentences below. If you feel a sentence is correct as is then write “Correct” in the space available. Some sentences might need multiple corrections, so make sure to correct the sentences completely.

STEP 3: Once you’re done, see a tutor to go over your answers and to answer any questions you may have. Have the tutor sign the bottom of the exercise, hold onto the exercise so that you have a study guide throughout the term, and then, submit all completed exercises to your instructor at the end of the term.
